• From the San Diego airport, take the I-5 freeway north.
• Exit the freeway on Gilman Drive, turning left at the stop light for the off ramp.
• Continue on Gilman past the Visitor Information Center and past Osler Lane.
• Make a left at the next stop sign after Osler Lane and enter the metered parking lot. (Turning right on Osler Lane leads to the George Palade loading dock).
• You can park your car in the metered spaces (Alternatively, regular permits are available at the Visitor Information Center).
• In the George Palade loading dock, find a grey double door labeled: “Freight Elevator”. There are vending machines located next to this elevator.
• Take this elevator to 3rd floor, exit to the left and enter the building through the first glass door on your right.
• Our office is in room 310.
